ABOUT ME

I am Abhilash TU, I recently completed my BSc Computer Science degree course and I have been enjoying programming for the past 3 years.

WORK EXPERIENCE

Assistant Graphic Designer
@Migobucks Pvt Lts | 2020 - 2 - 6 to 2020 - 2 - 17

- During this period, I helped a company to re-design their web App & create a UI for their mobile App.
- Experienced in participating in professional company conferences and work with co-workers.

Student Progress Assessment Application
@Nilgiri College of arts and science, tamil-nadu
Jan 01 2022 - May 01 2022

- As a part of my final year project, I developed an application to assess the progress of students in education and morals.
- The whole development process from the ground-up including designing, programming, and testing was done by myself alone, which was a very enjoyable experience.

EDUCATIONAL HISTORY

Nilgiri College of Arts & Science, Tamil-nadu
Bachelor's degree in Computer Science | 2019 - 2022

- Learned fundamentals of computer science.
- Worked with various startups on launching new apps and services
- renewed Advanced programming concepts and data structure.

GOVT Model Higher Secondary School, kerala
Science(Maths, physics, chemistry, biology) | 2017 - 2019
